<p>Description of your organisation or the consortium for which you need a partner:</p> <p>Innovation4Albania is the Government of Albania’s dedicated agency for innovation and startup ecosystem development, established in 2026 under the Ministry responsible for innovation. It is the central public institution for innovation policy, public-sector modernisation and ecosystem coordination. I4A promotes advanced technologies, GovTech solutions, startup development and open innovation across public institutions and private sector, and acts as a strategic bridge between government, startups and SMEs, academia, international donors and European innovation networks. Key strengths: government mandate and legal authority; cross-ministry access through embedded Innovation Units; operator of the National Startup Registry and Startup Passport scheme; open-innovation infrastructure (GovTech challenges, regulatory sandboxes, accelerators); policy intelligence and annual ecosystem reports; and EU alignment within Albania’s accession context (active Horizon Europe & Digital Europe participant).</p>
